### 5.0 ASSISTANCE DISCRETIONARY

5.1 The Parties acknowledge that each has a primary obligation to provide Fire Services as well as other emergency services within the boundaries of its own municipality, and that the provision of aid to the Requesting Party may not be advisable, on a call by call basis, having regard to such factors as the state of available resources, the nature of the incident giving rise to the request for aid, the distances involved, and the existence or apprehension of emergencies or potential emergencies within the Assisting Party's municipality. Accordingly, the Fire Chief of a Party receiving a request for assistance shall have the sole and unfettered discretion to decline to authorize Fire Services to a Requesting Party and may exercise such discretion without stating reasons. Further, the Assisting Party may divert personnel and equipment to another scene notwithstanding a response in aid of the Requesting Party or may withdraw from a scene, whether or not the Assisting Party is in command thereof, if in the sole discretion of the Fire Chief of the Assisting Party another alarm, emergency or location should be afforded a higher priority, and may exercise such discretion without stating reasons.

### 6.0 PROCEDURE FOR REQUESTS

6.1 The Fire Chief (or other designate mentioned in section 3.4) of the Requesting Party shall have and is hereby granted full and sufficient authority to request Fire Services from the Assisting Party.

6.2 The Fire Chief of the Assisting Party shall have and is hereby granted full and sufficient authority to provide or, in his discretion, to decline to provide Fire Services to the Requesting Party.

6.3 The Fire Chief of the Assisting Party is further authorized to dispatch such personnel and equipment as can be allocated for the response, in his judgment, and may do so without verifying the *bona fides* of the call or the alarm giving rise to the request. The Parties agree to co-operate in establishing protocols for confirming the identity of the caller on behalf of the Requesting Party so as to preclude so far as possible false alarms and requests for assistance are made under false pretences.

### 7.0 SERVICES CHARGE

7.1 The Assisting Party shall charge fees for the provision of Fire Services hereunder, in accordance with the charges adopted by bylaw by the council of the Assisting Party, it being provided that the fees charged by the R.M. and the participating Municipalities may be different.

7.2 It is acknowledged that Service Charges may be reviewed from time to time by the respective councils of the R.M. and participating Municipalities. Service Charges may be amended during the currency of this Agreement, by bylaw. Upon changing Service Charges, the party making the change shall immediately notify the other parties and shall furnish participating Municipalities with a copy of the bylaw effecting such changes.

7.3 Following the provision of Fire Services the Assisting Party shall prepare and deliver to the Requesting Party an itemized invoice for payment. The Requesting Party shall remit payment of the amount so billed within 30 days of receipt of invoice. Failing payment as required, the Requesting Party shall pay interest on the debt or such portion thereof as remains unpaid, at the prime rate of interest of the Bank of Canada plus two (2%) per cent, such interest to be calculated from the date payment is overdue to the date of payment in full.

### 8.0 EMERGENCY MEASURES

8.1 The provisions of this Agreement are not in lieu of plans made in respect of emergency measures nor does this agreement derogate from the duty of the Parties hereto to follow protocols and lawfully report to authorities and agencies in cases of discharges of pollutants, spills or discharges of hazardous materials, hazardous waste materials, mishaps in the transportation of dangerous goods and incidents of like nature.

### 9.0 INSURANCE

9.1 The Parties each covenant and agree that they shall carry property insurance covering their respective equipment and comprehensive general liability insurance to commercially reasonable limits.

## Municipal Mutual Aid Agreement

### 10.0 MUTUAL RELEASES

- 10.1 Each Party agrees to remise and release the other Party in respect of damage to or loss of property and in respect of personal injury (including death) occurring in the course of requesting or providing assistance under this agreement, and each expressly waives any cause of action in respect of such loss or injury as against the other Party, howsoever arising.

- 11.1 The Parties expressly covenant and agree that the Requesting Party shall, in respect of third party claims of any nature arising from the provision of Fire Services by the Assisting Party under this agreement, indemnify and hold harmless and keep indemnified and held harmless the Assisting Party from and against all loss, costs, claims, expense, demands, claims, actions and causes of action asserted by third parties and in any way arising from performance or non-performance under this Agreement by the Assisting Party. The within covenants of indemnity shall survive the termination of this Agreement with respect to any cause of action arising during the currency hereof.

### 12.0 TERMINATION

- 12.1 Any Party hereto may terminate this agreement upon sixty (60) days' written notice to such effect.

### 13.0 GENERAL AND MISCELLANEOUS

- 13.1 The captions, section numbers, article numbers and Table of Contents (if any) appearing in this Agreement are inserted as a matter of convenience only and in no way define, limit, construe or describe the scope or intent of such clauses or articles and such captions, section numbers, article numbers and Table of Contents shall not in any way other than for reference purposes affect the interpretation or construction of this Agreement.

- 13.2 This Agreement shall be governed by and construed in accordance with the laws of the Province of Saskatchewan.

- 13.3 Subject to the provisions hereof for the revision of fees, this Agreement may not be modified or amended except in an instrument in writing signed by the Parties hereto.

- 13.4 The words "hereof", "herein" and "hereunder" and similar expressions used in any section or subsection of this Agreement or the Schedules relate to the whole of this Agreement and not to that section or subsection only unless otherwise expressly provided. The words "the R.M." and "participating Municipalities" shall mean respectively "the R.M., its successors and/or assigns" and "participating Municipalities, its successors and/or assigns".

- 13.5 If for any reason any term, covenant or condition of this Agreement, or the application thereof to any person or any circumstance, is to any extent held or rendered unenforceable or illegal then such term, covenant or condition:

- a) is and is deemed to be independent of the remainder of the Agreement and to be severable and divisible there from and its unenforceability or illegality does not affect, impair or invalidate the remainder of the Agreement or any part thereof; and
- b) continues to be applicable to and enforceable to the fullest extent permitted by law against any person and circumstance other than those to whom it has been held or rendered unenforceable or illegal.

Neither Party is obliged to enforce any term, covenant or condition in this Agreement against any person, if, or to the extent by doing so, such Party is caused to be in breach of any laws, regulations or enactments from time to time in force.

- 13.6 No waiver shall be inferred or implied by any forbearance by either Party hereto or anything done or omitted to be done by a Party with respect to a default, breach or non-observance save only an express waiver in writing and then only to the extent expressly stipulated and necessary to give effect to such express waiver. A waiver by either Party of any breach of any term, covenant or condition herein contained shall not be and shall be deemed not to be a waiver of any continuing or subsequent breach of such term, covenant or condition (except as specifically expressed in writing to be so) or of that Party's rights hereunder or of any other term, covenant or condition herein contained. Without limiting the generality of the foregoing the subsequent acceptance of payment by a party is not and is deemed not to be a waiver of any preceding breach or continuing breach by the other party of any term, covenant or condition of this Agreement, regardless of knowledge of any such preceding breach at the time of acceptance of such payment.

- 13.7 Notwithstanding anything to the contrary contained in this Agreement, if either the R.M. or any of the participating Municipalities is bona fide delayed or hindered in or prevented from performance of any term, covenant or act required in this Agreement by reason of strikes, lockouts, labour trouble, inability to procure materials, government intervention or other casualty or contingency beyond the reasonable control of the Party who is by reason thereof delayed in the performance of such Party's covenants and obligations under this Agreement in circumstances where it is not within the reasonable control of such Party to avoid such delay, excluding any
